CONFRONTING LUST (WORSHIP CENTER)

JOE VEAL

The natural man is in bondage to his lusts (Romans 3:10-18) and even when we are in Christ, the struggle for deliverance continues for many of us, as we cling to things that (should) have passed away. The enemy wants you to believe you are alone in your struggle. He wants to keep you ashamed and unable to confess to a trusted brother in Christ for healing, correction, and accountability. It's a lie. You are not alone... not by a long shot. 86 percent of men and 26 percent of women consume pornography regularly; but even more staggering, 1 in 5 youth pastors and 1 in 7 senior pastors use porn regularly.

It's time for us to confront this issue head-on. Only 7% of pastors report that their churches have a ministry for their men and women struggling with lust and pornography. W@e can do better for ourselves and for our people.

As Pastor Joe Veal leads this Main Stage Breakout, he will share his struggles, the Lord's victories and give us some practical, actionable steps to take in the battle against lust.

BREAKOUT SESSIONS

CONFRONTING FAMILY FINANCE (ROOM 202/203)

DANIEL PERSCHKE / STEVE MARINO

Money is neither good nor evil. It is a neutral commodity that can be used to do incredible amounts of good, or tremendous evil. While the Lord wants us to live life abundantly (John 10:10), He also warns us that love of money can corrupt us and warp our choices (1 Timothy 6:10). How can we honor God in our finances, while supporting our families AND enjoying some of the extras that money can buy?

Fantastically talented accountants Daniel Perschke and Steve Marino lead this breakout on family finance and budgeting, and give us some tools we can use to live in that freeing financial "sweet spot."

CONFRONTING DEPRESSION & ANXIETY (ROOM 201/204)

PASTOR TOM PENDERGRASS

Depression and anxiety are far too familiar to many of us. They have crept into our lives and homes in quieter times. They have kicked down our doors during this recent time of pandemic, lockdown, isolation, and social distancing. If you, a family member, or someone in your care is battling depression or anxiety, this breakout will be invaluable. Pastor Tom Pendergrass has dealt with depression and anxiety both in his family and in the church. He will use both his testimony and Proverbs 12:25 to encourage us and provide some strategies to find hope... because there IS hope!
